GDPR UK in Education Training - E-Learning

Course Aim

Working in education means that delegates are likely to handle special category data on a regular basis. By the end of this UK GDPR in Education Training delegates should be able to identify personal data and special category data as well as know how to keep children's data safe. The course aims for delegates to have a clear understanding of the 7 Principles of the GDPR and how they apply to the work they do.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Who Should Attend?
