

GDPR EU Essentials Training - E-Learning

Course Aim

Anyone who handles personal data is required to have a broad understanding of the General Data Protection Regulation, or GDPR – which is focused on keeping personal data safe and protecting the interests of those whose data it is.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Agenda

The course modules cover:

- Personal Data
- The Principles of Data Protection
- Integrity & Confidentiality

Certification

Delegates will receive a HSS printable certificate in GDPR EU Essentials Training upon completion of the course.

This course is approved and accredited by Skills for Care.

Who Should Attend?

For employees that have to handle data for work, this training course will teach delegates about the fundamental requirements needed to comply with the General Data Protection Regulation.

Course Duration

This is a 35 minute course.
