

FGM Awareness & Prevention - E-Learning

Course Aim

The course aims to help delegates recognise the signs of Female Genital Mutilation (FGM) as part of their safeguarding duty, understand exactly what FGM is, how it can affect the victim and understand the 4 R's of child protection.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Agenda

The course modules cover:

- FGM Awareness
- FGM Prevention

Certification

Delegates will receive a HSS printable certificate in FGM Awareness & Prevention upon completion of the course.

This course is approved and accredited by Skills for Care.

Who Should Attend?

This online training course provides crucial information and advice about FGM and will help delegates to spot the signs of potential FGM, as well as teach them how to intervene.

Course Duration

This is a 20 minute course.
