

GDPR EU Advanced (Management) Training - E-Learning

Course Aim

This course covers what the GDPR is, how data is processed, keeping data secure, the accountability principle and the rights that individuals have over their personal data.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Who Should Attend?

This e-learning training helps delegates who make decisions about collecting, storing, and using people's personal data. It covers how to handle data on a day to day basis and aims to provide delegates with an in-depth understanding of the GDPR.

Course Duration

This is a 40 minute course.

Agenda

The course modules cover:

- What is the GDPR?
- Processing Data
- Security
- Accountability
- Individual's Rights

Certification

Delegates will receive a HSS printable certificate in GDPR EU Advanced (Management) Training upon completion of the course.

This course is approved and accredited by Skills for Care.
