

Legionella Training: Responsible Person Including Cooling Towers - City & Guilds

Course Aim

On successful completion of this Legionella Responsible Person Training Course, you will develop or reinforce your knowledge of:

- The legislation, Health and Safety at Work Act, HSE ACoP L8 & HSG274 part 1 and part 2
- The role and duties of the Responsible Person and Duty Holder
- The Legionella compliance requirements of your organisation

Course Duration

This is a 2 day course.

Maximum Delegates

Maximum attendees: 12 delegates.

Pre-Requisites

In order to enrol on this course, the [Legionella Training: Responsible Person – City & Guilds](#) course **MUST** be completed.

Who Should Attend?

This Legionella Course is designed for any member of staff who is or may become a Legionella Responsible Person, Deputy Responsible Person, or Duty Holder for premises that contain Hot and Cold Water, and Cooling Systems.

Please Note: If you are booking a Live Virtual Classroom Course and have evaporative cooling systems, please book this course, as well as the legionella training: Responsible Person course which you will find [here](#).

This will enable you to gain a City and Guilds certificate for hot and cold-water systems with cooling towers.

BOTH courses **MUST** be completed and the Legionella Training: Responsible Person course **MUST** be taken **BEFORE** attending the legionella training: Responsible Person Including Cooling Towers course.

IMPORTANT: The above **ONLY** applies to remote courses and is **NOT** applicable to on-site or classroom training, where both sessions are completed back-to-back.

If you have any questions, please phone 0345 605 0006 to speak to a member of our team.
