

# Mental Health, Dementia & Learning Disabilities in Care (Standard 9 Care Certificate) - E-Learning

## Course Aim

This online course aims to help delegates understand the different mental health problems, learning disabilities someone might experience and the laws surrounding mental capacity.

### Available in over 35 languages

Our courses are machine translated\* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

*\*Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

## Agenda

The course modules cover:

- Mental Health Issues
- Care & Support
- The Law

## Certification

Delegates will receive a HSS printable certificate in Mental Health, Dementia & Learning Disabilities in Care upon completion of the course.

This course is approved and accredited by Skills for Care.

## Who Should Attend?

The online Mental Health, Dementia and Learning Disabilities in Care Training helps those working in Care looking to complete Standard 9 of the Care Certificate by helping with the theory side of their study.

## Course Duration

This is a 35 minute course.
