

NVQ Level 6 Diploma in Occupational Health and Safety Practice

Course Aim

To provide recognition of the skills and knowledge required of delegates who are looking at gaining a formal qualification in Occupational Health and Safety.

Who Should Attend?

The Level 6 NVQ Diploma in Occupational Health and Safety Practice qualification is aimed at delegates who are responsible for developing and applying health and safety procedures day-to-day in their organisation. They may be a staff member, supervisor or manager looking to improve their knowledge and skills.

Certification

After Assessment, the assessor will cross-match all evidence collected with the awarding body standards and sign-off the delegate, if all standards have been met. IQA will quality check the delegate's portfolio.

Completion of this NVQ will allow you to apply for a Black CSCS Managers card.

Agenda

- Introduction to the qualification, usually taking place at an external centre – this will include paperwork for sign-up and registering with the awarding body.
- Delegates will be provided with Knowledge Packs that they may complete in their own time; identifying the delegate's current knowledge and skill set.
- Following Completion of the Knowledge Packs, the Practical Observation will begin. This will be on the learner's site, and may include visits from your assessor who will observe you working and offer support. Delegates may also be asked to record observations on camera for review by the assessor, on practical elements such as pre-shift and operation checks on the machinery.
- There will then be a collection of Witness Testimonies (from site Supervisor's / Manager's etc.) and Additional Evidence by the assessor.
- Finally, a one-to-one Professional Discussion will take place between the assessor and the delegate.
