

# Fire Marshal & Warden - E-Learning

## Course Aim

Assigning a responsible person with the duties of a Fire Warden is a crucial component in making sure that organisations reach satisfactory health and safety standards. This course can also provide evidence of due diligence and commitment to implementing emergency fire procedures at work.

This training course is divided into five different sections, delegates are able to refer back to certain sections of the course if needed.

### Available in over 35 languages

Our courses are machine translated\* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

*\*Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*
