

Health and Safety in Care (Standard 13 Care Certificate) - E-Learning

Course Aim

This online training course covers Standard 13 of the Care Certificate. With over 100 residents in care homes across the UK injured every day, it is essential that care workers understand their health & safety responsibilities in order to reduce risk in the workplace.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Who Should Attend?

This course is suitable for care workers working towards compliance with The Management of Health and Safety at Work Regulations and RIDDOR.

Course Duration

This is a 35 minute course.

Agenda

The course modules cover:

- Legislation, Policies, and Responsibilities
- Accidents and Sudden Illnesses

Certification

Delegates will receive a HSS printable certificate in Health and Safety in Care upon completion of the course.

This course is approved and accredited by Skills for Care.
