

# IOSH - Managing Safely

## Course Aim

This IOSH accredited course will provide delegates in a managerial position with knowledge on the practical actions they need to take to handle health and safety in their teams.

## Who Should Attend?

Delegates in a role with supervisory or managerial responsibility in any sector, and any organisation.

## Course Duration

This is a 3 to 4 Day course depending on location.

## Agenda

This course covers the following:

- Law and Regulations
  - An overview of the key pieces of legislation and regulations that apply to the workplace
- Risk Management
  - Understanding, assessing and controlling risk to 'reasonably practicable' levels
- Accidents at Work
  - Investigating accidents in the workplace to establish immediate and root causes
- Health & Safety Performance Indicators
  - Analysing reactive and proactive health and safety performance indicators
- Environmental & Pollution Management
  - Appreciate the fundamental requirements of effective environmental waste and pollution management

## IOSH - Managing Safely

### Certification

Following the completion of the course there will be a 6-8 week lead time for certificates to be despatched to delegates. There is no recourse for a Statement in Lieu during this lead time due to the requirement for IOSH to independently grade each assessment paper.

The process following course completion is as follows;

- On the final day delegates are given an assessment paper which they are required to take away with them, complete and return back to the trainer within 2 weeks. The trainer will only start marking the paperwork once:
  - All delegates have completed and returned the assessments
  - The two week deadline has elapsed
- Once all assessments are complete the trainer will mark the papers and forward on to IOSH.
- IOSH will independently mark the assessments within a two week window.
- IOSH will notify of any fails and post pass certificate to the trainer.
- The trainer will forward the results and certificates to HSS.
- HSS will forward results and certificate.
