

# GDPR UK Advanced (Management) Training - E-Learning

## Course Aim

This course aims to provide delegates with an in-depth understanding of the 7 Principles of the UK GDPR and understand who has responsibilities under this Regulation.

### Available in over 35 languages

Our courses are machine translated\* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

*\*Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

## Agenda

The course modules cover:

- A Little Bit of Background
- The Principles of the GDPR
- Individual Rights
- What Have You Learned Today?

## Certification

Delegates will receive a HSS printable certificate in GDPR UK Advanced (Management) Training upon completion of the course.

This course is approved and accredited by Skills for Care.

## Who Should Attend?

Our UK GDPR Advanced course is suitable for managerial level employees or any delegate who is heavily involved in the creation, implementation and management of data protection policies and procedures in their business.

## Course Duration

This is a 65 minute course.
