

Paediatric First Aid - City & Guilds

Course Aim

This course aims to provide delegates with a comprehensive set of practical skills by blending one day online learning and one day of face-to-face learning giving them the ability to be a confident first aider for children and infants.

Who Should Attend?

This course is primarily aimed at delegates working in child-care settings, but it will be useful for anyone with responsibility for caring for infants and children.

Pre-requisites

The online section of this course must be completed within the 6 weeks prior to your face-to-face training.

Both the online and face-to-face part of the course must be completed in order to be fully qualified.

Course Duration

This is a 2 day course.

Certification

Delegates successfully completing this course will receive a City & Guilds Award in Paediatric First Aid. Re-qualification mandatory every three years.

All certification is subject to the City & Guilds Quality assurance procedure. If you require a certificate of attendance in the interim, please don't hesitate to contact us.
