

Epilepsy Awareness for Schools & Carers - E-Learning

Course Aim

The course aims to help delegates understand what can trigger a seizure and the larger effects that epilepsy can have on a child's education and wellbeing.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Who Should Attend?

This online training course should be used by any delegate caring for a child with epilepsy. Delegates will gain a better understanding of the different types of epileptic seizures and what their responsibilities are when caring for children with epilepsy.

Course Duration

This is a 45 minute course.

Agenda

The course modules cover:

- The Background of Epilepsy
- Types of Epileptic Seizures
- Triggers and Treatment
- Your Responsibilities
- How Epilepsy Affects Education and Well-being

Certification

Delegates will receive a HSS printable certificate in Epilepsy Awareness for Schools & Carers upon completion of the course.

This course is approved and accredited by IIRSM & Skills for Care.
