

GDPR UK Essentials Training - E-Learning

Course Aim

This course focuses on GDPR in the UK. By the end of the course it aims that delegates will have an understanding of the 7 principles of the GDPR in the UK and background knowledge of what it GDPR aims to achieve as well as why it exists. The GDPR brings together years of laws in the UK into a single piece of legislation.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*
