

GDPR EU Refresher Training - E-Learning

Course Aim

As part of this refresher training, delegates who already have a good understanding of the GDPR will be given a recap of personal data, the principles of data protection and the importance of integrity and confidentiality.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Agenda

The course modules cover:

- Personal Data
- The Principles of Data Protection
- Integrity and Confidentiality

Certification

Delegates will receive a HSS printable certificate in GDPR EU Refresher training upon completion of the course.

This course is approved and accredited by Skills for Care.

Who Should Attend?

This course is suitable for delegates that have already taken GDPR training and want to refresh their knowledge. They will be reintroduced to topics surrounding how to keep personal data safe and protect the interests of the people whose data it is.

Course Duration

This is a 15 minute course.
