

## Servicing and Maintenance of Portable Fire Extinguishers

### Course Aim

This 4-day course provides delegates with the knowledge and practical skills required to service and maintain portable fire extinguishers. In addition to this, delegates will gain knowledge regarding the technicalities of portable fire extinguishers.

### Who Should Attend?

This course is aimed at individuals who will be carrying out the servicing and maintenance of portable fire extinguishers, and individuals who may be required to answer technical questions regarding portable fire extinguishers.

### Course Duration

This is a 4 day course.

### Maximum Delegates

Maximum attendees: 14 delegates.

### Certification

Delegates with a 75% or above pass rate for both theory and practical exams will be issued with a BAFE certificate.

A refresher course is required every three years to maintain knowledge and certification.

### Agenda

Topics covered within the Servicing and Maintenance of Portable Fire Extinguishers course include:

- The theory of fire and extinguishing
- Selection and positioning of the right fire extinguisher
- Classes of fire
