

# CITB - Site Supervision Safety Training Scheme (SSSTS) - Remote Learning

## Course Aim

This industry leading course will provide delegates with Site Supervisory responsibilities with the knowledge required to give valuable assistance in safely managing a construction site

This remote learning and examination option for the site supervision Safety Training Scheme (SSSTS) course has been created to allow delegates to gain and develop the required knowledge outside of the classroom.

Microsoft Teams MUST be installed beforehand to ensure you can participate successfully.

## Who Should Attend?

First line managers - those who have, or are about to acquire supervisory responsibilities who require an understanding of legal responsibilities relevant to their work activities.

**Please Note:** The minimum age of attendance for this course is 16 years old, however delegates who are under the age of 18 must bring a completed parental consent form to the first day of the training course.

### Virtual Classroom

This course will be delivered via video conferencing using Microsoft Teams Virtual Classroom. This allows two-way communication, ensuring the course is interactive with delegates having the opportunity to ask questions. Each delegate in attendance must have a webcam and microphone, to provide evidence of identity and the ability to answer all examination questions.

## Agenda

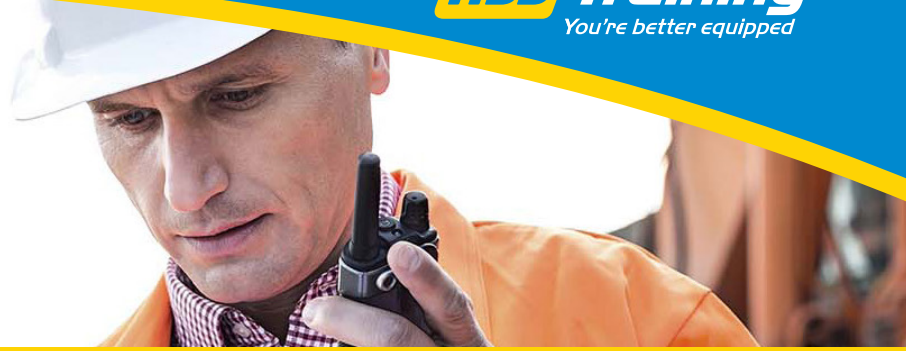

- Health & Safety law
- Developing a Health and Safety management system
- Occupational health
- Fire prevention and control
- Risk assessment and method statements
- Hazardous substances
- CDM regulations
- Working at height
- Personal protective equipment
- Manual handling
- Accidents and first aid

### Theory Test

Individual written test with explanation of pass requirements.

## Course Duration

This is a 2 day course.

# CITB - Site Supervision Safety Training Scheme (SSSTS) - Remote Learning

## Certification

### Assessment

The paper consists of 22 multiple choice questions and three short written questions. There are four safety critical questions in each exam paper, the delegate must answer all four of these questions correctly to pass the exam.

The examination pass mark is 80% (24 out of 30). The examination lasts for 30 minutes and delegates are permitted to use the provided CITB publication for the last 10 minutes of the exam.

### Certification

Delegates successfully completing the course will receive a CITB Site Supervision Safety Training Scheme (SSSTS) certificate valid for five years.

Please note, CITB no longer produce physical certificates, all certificates are produced digitally and sent to the booker of the course within 28 working days of the end of the course.
