

# Returning to Work after COVID-19 - E-Learning

## Course Aim

This course aims to help with a safe and smooth transition back to the workplace during and after the COVID-19 pandemic. The course covers areas and topics that should be considered before returning to work, as well as looking at what an employee can expect on their first few days and weeks back at work.

### Available in over 35 languages

Our courses are machine translated\* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

*\*Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

## Who Should Attend?
