

# Health & Safety for Managers & Supervisors - E-Learning

## Course Aim

It is employers duty to have a health & safety policy and to share it with their staff. In this policy, the employer must ensure all measures taken protect the health, safety and welfare of employees, as is reasonably practicable.

This online training course for managers teaches delegates how to show commitment to health and safety law in the UK. The course aims to help the delegate understand how they can make a safer and healthier workplace, whilst reducing absenteeism.

### Available in over 35 languages

Our courses are machine translated\* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.
