

PASMA - Mobile Access Towers for Users

Course Aim

To provide delegates with an understanding of current relevant legislation and be able to dismantle, erect and inspect mobile access towers safely, as per the manufacturer's instructions.

Who Should Attend?

Those who need to erect, dismantle and inspect mobile access towers safely.

Since the assembly and use of mobile towers can be physically demanding, users should be physically fit, in good health and should, generally, not have problems with eyesight or hearing, heart disease, high blood pressure, epilepsy, fear of heights / vertigo, giddiness / difficulty with balance, impaired limb function, alcohol or drug dependence or psychiatric illness.

Course Duration

This is a 1 day course.

Maximum Delegates

Maximum attendees: 12 delegates.

Certification

Delegates successfully completing the course will receive a PASMA Certification and ID Card (valid for 5 years).

Agenda

Course modules cover the following:

- PASMA Training Scheme
- Standards / Regulations
- Equipment / Selection / Inspections
- Assembly methods
